

Anna Napoli

Curriculum Vitae

Education

- November 2018–Now **Enrolled in the PhD program in Computer Science and System Engineering, University of Genoa**, Genoa (Italy), PhD at Fondazione CIMA (CIMA Research Foundation) in collaboration with University of Milano-Bicocca.
- 2015–2018 **Master Degree in Physics, University of Milan**, Milan, Italy, Graduated in the academic year 2017–2018; dissertation on "Orographic precipitation in the Alps: analysis of rain gauge data and atmospheric model output".
Main subjects: atmospheric physics, geophysics, physics of the environment;
Occupational skills: experience in experimental methods and laboratory procedures, strong background in data analysis;
- 2011–2015 **Bachelor Degree in Physics, University of Milano-Bicocca**, Milan, Italy, Graduated in the academic year 2013–2014; dissertation on "Sea Surface Height response to strong winds in the mediterranean".
- 2006–2011 **High School Diploma, Liceo scientifico Bertrand Russell**, Garbagnate Milanese (Mi), Italy.

Research project

20 January - **EUREC4A**, *International initiative in support of the World Climate Research Programme's Grand Science Challenge on Clouds, Circulation and Climate Sensitivity*.
2020 Operations based out of Barbados on board of the research vessel l'Atalante

Publications and conferences

September, **Variability of orographic enhancement of precipitation in the Alpine region**, 2019
Napoli A, Crespi A, Ragone F, Maugeri M, and Pasquero C.
Scientific Reports

2 - 6 **35th International Conference on Alpine Meteorology**, *Riva del Garda (TN), September, Italy.*
2019 Contributions on all aspects of mountain meteorology and climatology

June, 2019 **Ocean Surface Anomalies after Strong Winds in the Western Mediterranean Sea**, *Ragone F, Meli A, Napoli A, and Pasquero C.*
Journal of Marine Science and Engineering

22 July - 2 August, 2019 **Sao Paulo School of Advanced Science on Atmospheric Aerosols: Properties, Measurements, Modeling, and Effects on Climate and Health**, *Sao Paulo, Brazil.*
Aerosol properties and measurements, anthropogenic aerosols and their effects on health, aerosol-cloud-radiation interaction, remote sensing of aerosols and aerosols perturbations on climate, and modeling of their effects

28 January - **Doctoral Winter School: Data Rich Hydrology**, *Perugia, Italy.*

1 February, An extensive and immersive introduction to most recent findings of hydrological sciences.
2019

2017 - Now **CLIMATE Journal Club**, *University of Milano-Bicocca, Milan, Italy.*
Regular meetings in which a researcher introduces a science paper about climate change

2015 - 2016 **Conferences in high schools.**
Different lectures in high schools about my bachelor thesis project

2011 - 2017 **Waitress and hostess.**
During my period of study, i have worked in many country fairs

2010 - Now **Private lessons.**
Main activities and responsibilities: mathematics, physics and science lessons for high school students and university students.

Volunteer experiences

2019 - Now **Volunteer at Caritas**, *Savona, Italy.*
I collaborate with the Caritas dormitory in Savona.

- July - August, 2016 **Volunteer at "Hogar Divino Amor" foundation, Aguachica, Colombia.**
The "Hogar Divino Amor" foundation is a non-profit entity committed to hosting and helping childrens in their own country. Main activities and responsibilities: recreational activities with the childrens, Italian language teaching at the school of the foundation, maintenance of the structures.
- May - September 2015 **Manager of summer camp, Cascina del Sole, Bollate (Mi), Italy.**
I was responsible of the entertainment and the organization of a summer recreation center for children between 6 and 13 years old
- 2011 - 2014 **Entertainer in the hospital, Salvini hospital in Garbagnate Milanese (Mi), Italy.**
AVO volunteer as animator.
- 2010 - 2018 **Educator, Cassina Nuova and Cascina del Sole, Bollate (Mi), Italy.**
Educator in the oratory: i have collaborated with childrens, teenagers and 18-19-year-olds.

Digital competence

- Program Lang. C/C++, MATLAB, R
- Operating System Windows, GNU-Linux
- Office Suite Word, Excel, LATEX, Presentation Softwares

Professional and scientific experiences
